Return to your home country

Returning home is connected with different expectations, wishes and fears.

We help and support you in:

- finding the right decision
- providing travel documents
- organizing the journey of return
- developing perspectives in your home country

For a dignified return!

This project is co-financed by the Asylum, Migration, and Integration Fund, also co-financed by the city Hamm (social integration office), in cooperation with district Warendorf and district Soest
